

**FOOD & BEVERAGES**  
Specialized Logistics Services

# 43 years of focus on TRANSPORTATION & LOGISTICS

EXTRA TRANSPORTES is a Portuguese company committed to **Air and Sea Transportation**, established in the market for 43 years.

It is an **international freight forwarder** recognized for its organization, efficiency and quality of services just in time.

Among the Top 5 Players  
in air transportation in  
Portugal

More than 1500 tons  
of air cargo (2018)

32 Employees in Lisbon  
and Porto

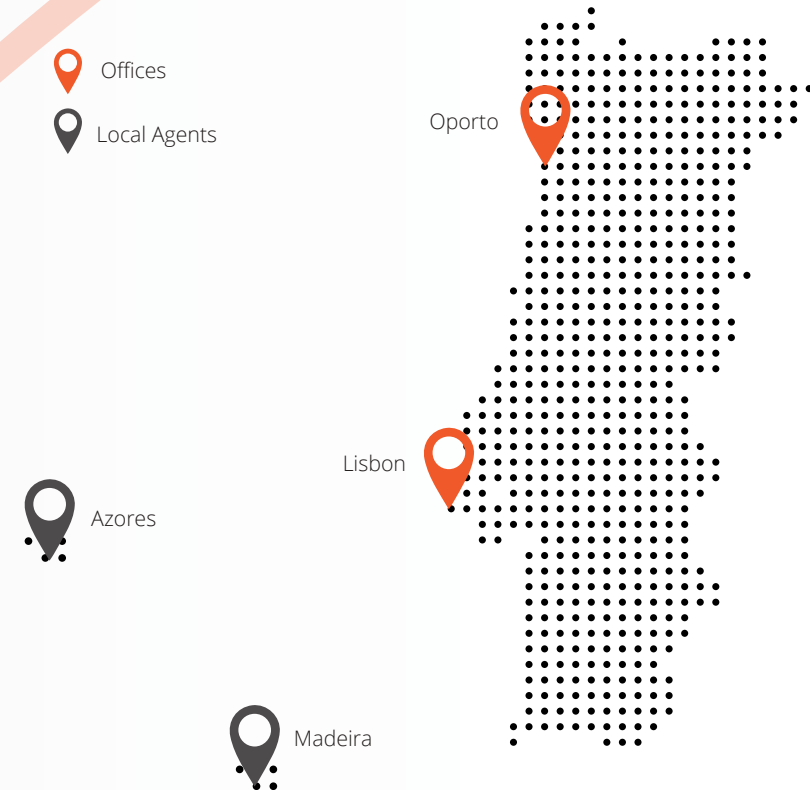

# National Presence OFFICES AND OPERATIONS

EXTRA TRANSPORTES is located in LISBON and PORTO, with local agents in the main Portuguese islands: Madeira and the Azores.

Their **logistical platforms** installed in strategic locations allow a quick access of producers and representatives to national and international markets

# Flexibility and Agility FROM ORIGIN TO THE DESTINATION

The shipment of food or drink loads requires unrivalled agility in the transport business.

Throughout the collection, packaging, storage or shipment process, carelessness may represent **high losses for the client.**

At Extra Transportes, the vast experience in developing services with these characteristics has provided its team with the necessary expertise to find the most appropriate solutions for each shipment.

## FLEXIBILITY ON SHIPPING

Intermodality, seeking for the air and sea routes which are more adjusted to the characteristics of the cargo and the delivery dates at the destination.

## CUSTOMER FOCUS

Quick response, with a Logistics & Transportation team dedicated to the shipment of food, beverages and other perishable goods.

## AGILE SERVICE

Global coverage, with the confidence of Extra Transportes local partners, in the main world destinations.

## CARGO SAFETY

Tools suitable for transporting food and beverages allow for temperature maintenance and monitoring, throughout the shipment.

From Portugal to the World and  
from the World to Portugal!

Leverage your business on a global scale...

# Logistics & Transportation FOCUSED ON THE PRODUCT

In areas where there is no room for mistakes, do not leave your cargo at random! In each shipment of merchandise, the perfect conditions are ensured so that your products reach the destination, with the same freshness and flavour.

## Extra Transportes services guarantee...

- Continuous monitoring of your cargo, manageable online through the Webtrans digital tool;
- Document management of all associated formalities;
- Team with consolidated experience in this type of shipment of cargo;
- Fast deliveries, favouring the best air and sea routes, from the origin to the destination.

# CUSTOMIZED SOLUTIONS THE CHARACTERISTICS OF YOUR PRODUCTS

Given the unique characteristics that food and beverages have, logistics and transportation solutions are implemented to ensure the best shipping conditions.

## IMPORT / EXPORT WORLDWIDE
